

*Serious Barbecues*

THE TASTE  
OF AUSTRALIA

**An Aussie  
icon in your  
backyard**

**Signature Series**

# Mates for Life

## At BeefEater, we understand barbecues.

We've been making these authentic Aussie backyard icons for more than 25 years. So naturally, we're pretty good at it.

We make them beautiful. We make them tough. And the quality? Just sensational. We also make them modular. We're clever like that, so you can even build your own.

So tuck in and check out the deluxe new BeefEater Signature Series range for yourself. There's no limit to what these little babies can do. With BeefEater, you've got a mate for life.

TASTE OF  AUSTRALIA

# What a beauty!

## The inside story

A truly great barbecue is as beautiful on the inside as it is on the outside. Here's a taste of what goes into making a BeefEater barbecue so brilliant.

### **R** RF Technology® Rust Free Cooktops

Kiss rusty cooktops goodbye. Ours are made from porcelain enamel coated cast-iron, one of the toughest coatings available. Solid stainless steel cooktops are also an option.

### **V** Vaporizer® Grid & Reflector System with Anti-Flare Technology

Patent pending anti-flare technology reduces annoying flare up and heat loss for faster cooking and superior fuel economy.

### **10** YEAR Porcelain Enamel 10 year Warranty

Hygienic, durable, scratch and scorch resistant – porcelain enamel is one of the toughest easy-care finishes for outdoor appliances.

### **I** Infrared Radiant Burner^

Our unique, patented radiant burner delivers high intense uniform heat with low flare-up. It's commercial quality and a real flavour enhancer. Solid cast stainless steel burners are also an option.

### **S** Signature Carts and Pedestals

Our luxury carts and pedestal trolleys are built tough from galvanised and powder coated steel.

### **W** Wheel Away Convenience

Note the snappy heavy duty wheels and lockable castors.

Australian  
Design Award

Winner of an  
Australian  
Design Award.

### **I** Integrated Convection Roasting Hood

In porcelain enamel or stainless steel. It's juicy-cooking. Removable. And has an on-board temperature gauge and warming rack.

### **H** High Output Side Burner^

Ideal for whipping up tasty stir-fries, sauces, or steaming. Heat output 21 mJ/hr. 19900 BTU.

### **I** Integrated Quartz Start® Ignition

Our innovative titanium-coated system ensures long life and trouble free starting. No fiddly batteries or buttons.

### **S** Stainless Steel Lifetime Warranty

Our quality commercial grade stainless steel construction and components come with a lifetime warranty. It's corrosion resistant, hygienic and easy to maintain.

### **O** On Board Gas Cylinder Storage

A place for everything and everything in its place.

Features with ▲ symbol  
are optional extras.

**One hot  
barbecue!**

# Pure BBQ Pleasure

## Signature® SL4000s series

Available in powerful 5 & 6 six burner options, this is seriously tasty stuff. The stainless steel SL4000s will cater to the most demanding backyard entertaining assignment. Includes side burner, light, rotisserie, condiment baskets and 17 piece chef kit.

See-in-the-dark  
night vision light.

**Signature®  
SL4000s 5 and 6 burner**

# Well done mate

## Signature® Plus series

It's an award winner, packed with exciting innovations and design features. With its rugged stainless steel good looks and robust construction, the Signature® 'Plus' series of 2, 3, 4 and 5 burner barbecues with cast iron grills makes entertaining your mates a dream. Fit it to a compact pedestal or whack it on a luxury cart.

## But wait there's more... Upgrade Signature® Plus to our Signature® Premium series mate.

The full flavoured Signature® Premium series also includes stainless steel plates, burners and grills for the ultimate cooking experience.

### Signature® Plus 2 burner pedestal

This 2 burner is true blue BeefEater brilliance... only smaller. Here it is on a wheel away pedestal trolley – ideal for the patio or balcony. This pearler is made up with a stainless steel convection roasting hood, side burner, shelf, condiment and towel racks.

### Signature® Plus 3 burner pedestal

We used to call them bush televisions. Things sure have changed, but this one still draws a crowd to the flame. Here it is on a pedestal trolley, sporting a stainless steel convection roasting hood, side burner, shelf, condiment and towel racks.

### Signature® Plus 4 burner pedestal

More power to you. With this beauty you'll create a feast in the time it takes to get the ice and swap the gas bottle. Includes a pedestal trolley, with a roasting hood and handy viewing window, side burner, shelf, condiment and towel racks.

This range of stainless steel BBQs gets the big thumbs up!

### Signature® Plus 4 and 5 burner cabinet trolley

Isn't it grand? Check out the sleek lines on the luxury cart. Pictured here with the stainless steel convection roasting hood, viewing window, side burner and shelves, storage baskets, towel rack, and rotisserie kit. The only argument here is, who gets to be tongmaster.

See page 04-05 for icon definitions

# A great allrounder

## Signature® Classic series

Rugged? Certainly. Handsome? Many think so. Made from sparkling stainless steel and durable porcelain enamel, these barbecues are an entertainer's dream. Packed with features that will turn any shindig into an unforgettable evening this barbecue is a real head turner. So when deciding your barbecuing future make sure you give the Signature® Classic series a real good look over.

### Signature® Classic 2 burner pedestal

This stylish 2 burner barbecue is fitted to a powder coated mobile pedestal trolley and crowned with the porcelain enamel barbecue and convection roasting hood, optional side burner, stainless steel side shelves and extendable towel rack.

See page 04-05 for icon definitions

### Signature® Classic 3 burner pedestal

Build your own effortless entertainer. Here the pedestal trolley again took our fancy, topped off with the porcelain enamel barbecue and convection roasting hood, side burner, stainless steel side shelf, rotisserie kit, storage baskets and extendable towel rack.

See page 04-05 for icon definitions

### Signature® Classic 4 burner pedestal

We've dressed this one on a pedestal trolley with a porcelain enamel barbecue and roasting hood, viewing window, side burner, stainless steel shelf, storage baskets, towel rack and rotisserie kit. Your taste in accessories may differ.

See page 04-05 for icon definitions

**This great Australian barbecue is a real head turner!**

### Signature® Classic 4 and 5 burner cabinet trolley

The Signature® Classic series 4 and 5 burner barbecues with roasting hood are made from durable porcelain enamel. Rust-free cooktops, quartz start ignition with designer stainless steel trolley and adjustable height shelves making it an instant hit with whoever steps up to the plate. So live the Australian dream with this magnificent barbecue.

# What a great sport

## Signature® Classic Supporter series

Aussies who think sport think barbecue so why not fire up the snags this weekend on one of BeefEater's new Signature® Classic 'Supporter series' barbecues with your favourite sporting team's colours. Available in a wide range of colours, matched to most teams of all of the major sporting codes throughout Australia.

### Signature® Classic Supporter series 4 burner

This sport lover's 4 burner barbecue features a porcelain enamel barbecue and roasting hood, powder-coated heavy-duty cabinet trolley, high output cast iron burners, stainless steel vaporizers, rust-free porcelain-coated cast iron cook tops, quartz-start ignition, and warming rack.

See page 04-05 for icon definitions

Show your true sporting colours this season!

# Pizza Perfection

## BeefMates Pizza Oven

What better way to accessorise your BeefEater barbecue than to add your very own purpose built BeefMates Pizza Oven. This little beauty fits conveniently on the top of any BeefEater 4 or 5 burner barbecue. Heat it up and you're ready to make your very own home made pizza perfection.

Mate it can't get much better than this!

### BeefMates Pizza Oven

Built for BeefEater's 4 or 5 burner barbecue range the BeefMates Pizza Oven is the perfect accessory.

TASTE OF  AUSTRALIA

# The ultimate outdoor kitchen

## Signature® series. Full on, mate!

This is where we took our idea of a great barbecue, and made it bigger. A lot bigger!

This is BeefEater's Outdoor Kitchen Centre. You might want to hold the brochure a little further back, just to take it all in. Amazing, isn't it?

Ahead of its time, this exceptional entertainer is the work of two iconic Australian companies. BeefEater, in barbecues and St. George Appliances, for fine kitchen appliances. It's pure Aussie ingenuity at work.

## We've got burners, cabinets, storage, drawers, fridges, sinks and more!

Up here in ultimate outdoor kitchen land is where our "build your own" philosophy really comes into its own. There's so much to play with. Fancy a four burner module? Maybe a two burner will do.

Need somewhere to house a fridge? Got that. How about space for a wine chiller? Or a home entertainment system? Got it. Left or right hand opening doors? Got that too.

The solid, integrated, modular construction is so quick and easy to install... which means you'll be cooking in no time.

You can start small.

Then throw in the kitchen sink.

Add a bar fridge, or two.

Perhaps a few extra drawers here, a cabinet there.

Only available with 2 and 4 burner barbecues.

# Build your own mate

## Signature® Built-in series

Imagine your choice of barbecue, built in to your own luxury outdoor entertainment centre. It will open your eyes to a whole new world of seriously tasty outdoor cooking. So go on, live the Australian dream!

### Signature® SL4000s 6 burner

Available in powerful 5 or 6 six burner options, this is seriously tasty stuff. The stainless steel SL4000s with its powerful integrated side burner will cater to the most demanding backyard entertaining assignment.

See page 04-05 for icon definitions Available in 3, 4 & 5 burners

### Signature® S3000s 4 burner

Not just built-in, but built to last. This one's perfect in stainless steel pictured here with the optional viewing window.

See page 04-05 for icon definitions Available in 2, 3, 4 & 5 burners

### Signature® S3000e 4 burner

Built-in brilliance means you're the boss. Pictured with its porcelain enamel barbecue and convection roasting hood. Available with or without a viewing window.

See page 04-05 for icon definitions Available in 3, 4 & 5 burners

### Signature® S3000e 5 burner

Like to watch? Then you'll love the handy optional viewing window on this durable porcelain enamel hood.

See page 04-05 for icon definitions Available in 3, 4 & 5 burners

# She's a beauty

## Professional Rangehood

This true blue beauty will sit perfectly above your barbecue to help reduce any unwanted smoke while you're turning the snags. Its powerful 2000m<sup>3</sup>/hr air movement capacity, impressive 2 year warranty and stylish stainless steel looks are the finishing touches to the ultimate outdoor kitchen.

### 120cm Professional Rangehood

Feast your eyes on this little beauty. With dual aluminium motors, commercial stainless steel and 'restaurant style' baffle filters this rangehood cannot be underestimated. This stunning BeefEater professional rangehood is designed and purpose built to exacting standards for kitchens and barbecue alfresco areas.
